

## Health Week 12th June - 16th June

Pupils will enjoy a variety of activities next week during Health Week. They will participate in yoga, bowling, Taekwondo, Zumba, cooking demonstrations and much more. The P5-7s will be visiting the outdoor pool on Tuesday morning and our whole school sponsored event will be on Tuesday afternoon.

For their comfort, pupils can wear sports clothes all week to school. Please remind pupils that no football strips are to be worn at school.

## Sun Cream/Hats

We hope the sun is here to stay! If it is, we plan to use the outdoors as much as possible! Can I please remind all pupils to apply sun cream in the morning before school and take some in their bags in case they need to apply it again during the day.

Pupils will be reminded to apply cream if it has been provided by their parent/carer. It will however be their responsibility to ensure that it is applied correctly. Sun cream bottles should be clearly labelled.

**Of course now that we have put this in print it will surely rain!**

## Staff Changes for 2017/18

As we wish Mrs Sue Bateman the best of luck in her new post within Aberdeenshire we welcome Mrs Lynne McHarg to the post of School Administrator. Lynne will officially start in August but will be working one day a week in the office until the summer to get to know the school.

It is also with great sadness that we say goodbye to two of our wonderful teachers in the summer. Miss Stewart takes up her new post in Angus and Miss Travers is relocating to Glasgow. We will very much miss working with them, as they have both been such an asset to the school. (There will be more tears than usual at the church service this year, for sure!)

Next session welcomes a probationer teacher (still to be confirmed) as well as Mrs Sarah McLeod who currently teaches in Newtonhill Primary School.

## Move It!

**P7 show is now available online. Use the link below.**

<https://youtu.be/0dJQwmqdSZg>

## Cromdale

The P7 pupils had a fantastic trip last week to Cromdale. They took part in a wide range of exciting outdoor activities.

## No Nuts Please!

**Nature Valley Crunchy bars have recently been brought to school. Can I please remind everyone that we have a strict no nuts policy in school due to pupil allergies.**

## PTA

**A fantastic amount of money was raised at the summer fair. (Figure to be finalised and announced next month.) Thank you to everyone who gave up their time to support this event.**

**The weather was against us but we still had a super turn out! Soak the HT/DHT in the rain was interesting!**

## Pupils of the Month

**Charlotte Peterkin for outstanding out of school achievements. (Horse riding and dog shows.)**
