

We hope to enjoy lots of outdoor learning this coming term with many activities taking place in the playground, at the beach or in Dunnottar Woods. Aren't we so lucky to have all of this right on our doorstep? Many of these activities could not take place without our adult volunteers to accompany us. Thank you for your on-going support. Please remember to include sun cream and/or a sun hat in your child's school bag throughout term 4. (Ever hopeful for some sun!)

Pupil Voice Groups

At the end of term 3 Mrs Williams met with a group of pupils from each class. Here are some of their comments.

- "I love the new Big Maths, even when it is tricky. I like Swiggleworth and Pimm."
- "I love when we do cooking. Sometimes we go to the allotment and then cook. I feel really proud when we eat it."
- "I like when we 'up-level' our sentences."
- "I have loved French. We learn about numbers, days of the week, months and more. I love the French songs we sing."
- "I loved when we all performed at the Burns Supper."
- "My favourite thing is when we do yoga. I can do Downward-Facing Dog really well."
- "I liked when I got the wires to connect in Science and the lightbulb worked."
- "I really liked when the whole school went to the beach with a book to read on World Book Day. It was calm and I liked that we were all together."
- "I liked building the dens in the forest. We made a fairy den at the bottom of a huge tree."

Article 12 You have the right to give your opinion, and for adults to listen and take it seriously.

Surfers Against Sewage

Well done to our P5—P7 pupils for helping 'Surfers Against Sewage' with the Big Spring Beach Clean. Surfers Against Sewage is a marine conservation & campaigning charity protecting the UK's oceans and beaches.
