

## Vision & Aims

We have randomly selected 20 parents/carers to meet with Miss Duncan and I next term to help us update our school vision statements and aims.

Our House Captains and Vice Captains will lead this input. They have created an interactive session, where we hope you will share ideas and opinions regarding our school aims. This exercise will also be completed by a variety of pupils and staff within the school, to ensure that all stakeholders are consulted in the process.

If you have not been selected but would like to be involved in the process please contact the school office and we will add you to the list of attendees.
