

We love our new awesome welcome classroom doors!

Meet the Teacher Event - October

Thank you to all who were able to attend our 'Open Event' at the end of term. We hope that you enjoyed visiting your child's classroom and meeting their teacher.

If you were not able to talk over any concerns that you have during the event and would like a face to face discussion or phone conversation with your child's teacher please contact the school office and we can arrange a further meeting.

Lateness....

Can we please remind all parents/carers that the school day starts at 8:55am. Last term we had a significant increase in the amount of pupils arriving to school late. This is very disruptive for all concerned. Please remember to sign in your child, at the office, if he/she is late for school.

Ask me about....

Our new Pupil Voice Groups.

Each pupil has participated in a Pupil Voice Group session and staff are currently planning ways in which we can ensure our pupils continue to be involved in school improvement planning.

Article 3 - All adults should do what is best for you. When adults make decisions, they should think about how their decisions will affect children.
