

A Midwife Crisis

A huge congratulations to the P1-3 pupils for putting on a super show. "A Midwife Crisis" almost became "A Head Teacher Crisis" when we had a technical hitch on the Tuesday evening. Thanks to the fantastic new amp, purchased by our PTA, the show was able to go on! Phew!

The staff and pupils worked very hard to produce an excellent modern day nativity enjoyed by all.

Copies of the DVD can be purchased for £5 each from the school office.

New Play Area

Carronhill School has a new 'Grounds for Learning' play area within our school grounds. The children and young people who attend Carronhill School and Dunnottar Nursery are enjoying this new facility and we are aware that out of school hours, a number of youngsters in the local area are using the play area too.

If your children are using this facility please note this is at your own risk and no safety checks are made at weekends and during school holidays. The area is not designed for BMX bikes or skateboards and we are disappointed damage has already occurred because of this misuse.

We also ask that when using this area children and young people are mindful of our boundary neighbours and that respect is shown by keeping noise to an acceptable level especially later in the evening.

Successful Cake-Pop Sale

P6 have had a very busy term working on their Enterprise project. Maths this term has focused on weight and money to help them with their project.

Miss Murray organised a visit from the bank to discuss finance. The pupils were also involved in market research. They created adverts and jingles to help to promote their product and sold them during the school nativity performances.

A fantastic £290.00 was raised. Well done P6!

Dunnottar School Christmas Service

Thursday 18th of December 2015

9:30am
