

## Playground Improvements Initiative

We have been very lucky to have been so well supported by the community and have raised over **£21500** towards our playground improvement plan!

- Mearns FM helped pupils put together a wee jingle and promoted the crowd funding page on their station. The crowdfunding page took in over £3000.

- Over £600 was raised by the City Church who held a quiz night to support this project.

- We have successfully secured Lottery Funding for £8000.

- Our grant from the Kincardine and Mearns Area Committee for up to £4000 was also approved.

- A wonderful group of parents 'Stoney Ground Breakers' completed the 25 mile Kilt Walk on the 18th of August and raised over £4000.

- Alyson Thomson (parent) raised a remarkable £700 by completing the Lochness Marathon.

- Stonehaven and District Lions Club donated an incredible £500.

- Raeburn Christie have donated £150 worth of gardening supplies.

- A successful bag packing event took in over £600.

**Thank you all so much!**

## Special Edition Dunnottar School

### Playground Project Update

#### Playground Project - Short Life Group

Currently involved:

Lisa Williams (HT)

Emma Harley (CT)

Megan Primrose (Parent)

Stephen Reed (Parent)

Vicki Broxton (Parent)

Nicola Don (Parent)

Janet Macleod (Parent)

Ali Dickie (Parent)

Amy Sawers (Parent)

**Pupil Voice Groups -  
Members from the Pupil  
Council, Eco Group and  
Allotment Group have been  
actively involved too.**

## Improvements so far include...

We have also secured financial support from local developer contributions which will support the resurfacing work currently being undertaken. A wet pour impact absorbing surface is being installed over the October holidays and fresh tarmac throughout the rest of the playground is planned for Spring/Summer 2019. Sadly we can not make the playground any larger than it is, however we are fully committed to making the best use of the space that we do have for our otters to enjoy!

**More exciting updates to  
come soon....**
